5. FINALIST SHORT FILM REQUIREMENTS

Once a work has been selected by the MÁLAGA FESTIVAL, it cannot be withdrawn.

The inscription of a work in the MÁLAGA 4K FEST supposes the full acceptance and fulfillment of the present Bases of Participation and its annexes.

The producers of the finalist short films will assume any taxes that may derive from their participation in this call and for the eventual obtaining of any of the prizes foreseen.

The participants will be solely responsible for any infringement of any third party rights, leaving THE ORGANIZATION, the MÁLAGA FESTIVAL, the MÁLAGA 4K FEST and the other collaborators.

6. PROGRAMMING AND EXHIBITION RIGHTS

In the event that their work is a finalist, the participants transfer to THE ORGANIZATION, free of charge, on a non-exclusive basis and within the geographical scope of the coverage of the satellites of the Hispasat Group's fleet (www.hispasat.com), the public communication rights on the satellite channel "HISPASAT 4K", for a period of one (1) year from the award ceremony (November 2020). THE ORGANIZATION will carry out the public communication of the finalists by means of a collaboration that implies the contribution of the necessary technical means to upload the content to the promotional channel "HISPASAT 4K" free of charge. In addition, during the same period, the collaborators of MÁLAGA 4K FEST will enjoy these same public communication rights free of charge, non-exclusive and for the same geographical area as the coverage of the satellites of the Hispasat Group fleet, for the sole purpose and with the sole purpose of carrying out promotions of 4K technology contents in specific events such as fairs, workshops or "demos". This does not include the broadcasting rights of the short films for the collaborating television channels, except in the case of the winning short films whose prize so specifies. Once this period has elapsed, THE ORGANIZATION and the collaborators of the festival will continue to enjoy the same rights mentioned above, unless the author/authors of the corresponding short film communicate this to the contrary. The rest of the intellectual property rights will continue to correspond to their authors or owners of the work.

Participants allow THE ORGANIZATION and its collaborators to exhibit a fragment of their work or trailer on social networks and media, with the aim of promoting their work and their participation in the MÁLAGA 4K FEST.
